We at MLZS JOKA are striving to give our best to the students even at the moment of this crisis and we are here with a digital outlook to help your ward learn in a new way. In this context, we are also in the process of implementing innovative learning programs for Mathematics and English for different classes in association with Mindspark and will inform further details soon.

We look forward to your support and cooperation, as always, in introducing this new learning techniques among our students and make their life stress-free and lively during this crisis period.

We wish our students Happy Digital Learning!

Thanking you.
Regards,

MLZS JOKA
