# A School that focuses on overall development

The school believes that every child is unique in their own way. It adheres to the CBSE curriculum and caters to the needs of every individual. The faculty adopts several methodologies to make learning an enjoyable experience. The curriculum is multifaceted and constantly encourages experiential, enquiry-based learning. The toddlers are often taken for nature walks and are made to learn amidst nature. The institution also promotes learning of life skills so that the pupils are equipped to face the world with indomitable spirit and undaunted courage. Projects, group assessments have been incorporated in the curriculum to make the students aware about the necessity of team work. To nurture the critical thinking abilities of the students, the school often makes the students confront certain situations and questions that require higher order thinking skills (HOTS). Students are free to express their thoughts and expressions through the several art forms like dance, drama, art, music. Self-defense classes are conducted for both boys and girls. Innumerable inter-house competitions are held throughout the year like extempore, quiz, non-fire cooking and many more.

The campus is surrounded by lush greenery

To make the learning process more engaging, all the classrooms have been provided with smart boards along with wi-fi. The visuals and information displayed on the smart boards makes the lessons more relatable. To provide an experiential learning, laboratories have been built individually for Computer, Physics, Chemistry, Biology, Mathematics, Geography, Language. A well-organized library is present in the school campus which is accessible to one and all. The school also abounds in out-

door sports facilities. This includes Basketball, Volleyball, Badminton courts, to name a few. A latest addition to the infrastructure of the school has been a swimming pool. Swimming classes are regularly held. Art and craft room, music room and dance rooms are also present which serves as a space of practicing the creative capabilities. There is a separate playground area meant for the kindergarten students. A sand and water play area has been arranged where the tiny ones engage in fun filled activities.

In case of emergencies, to provide with immediate medical help, an infirmary is present in the school campus along with a trained nurse. The school also provides counselling sessions to the ones who need it. The school provides residential facilities and transport facilities to the students. A canteen is also present in the campus to offer sumptuous meals to the students. The administrative building houses the offices of the chairman, principal and other members of the department who ensure the smooth functioning of the institution.
